(b) whether Government are aware of heavy congestion at the airport as parking-Bay can handle one Boeing and one Airbus at a time, and despite this the airport is being used by Air-India and several other foreign charter flights, which due to this area squeeze are made to taxi in the air, thus wasting precious fuel; and

(c) whether Government contemplate to have a coordination committee of his Ministry and Ministry of Defence to sort out this deadlock ?

THE MINISTER OF CIVIL AVIATION AND TOURISM (SHRI MADHAVRAO SCINDIA) : (a) The issue of transfer of land has been resolved to the satisfaction of both, the Navy and the National Airports Authority.

(b) No doubt, at present sufficient space for two wide bodied jets is not available but there is no congestion because of charter flights as DGCA ensures proper time slots for these charter flights.

(c) Since the matter is already resolved, so there is no question of having a coordination Committee.

THE MINISTER OF CIVIL AVIATION AND TOURISM (SHRI MADHAVRAO SCINDIA) : (a) Yes, Sir.
